HOUSE DRH1098-LR040B(2.14)

Short Title: Sheriffs' Commission Changes/AB. (Public)

Sponsors: Representatives Kiser and McCrary.

Referred to:

A BILL TO BE ENTITLED

AN ACT RELATING TO APPOINTMENTS TO THE SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION, AMENDING THE LAWS RELATING TO THE POWERS OF AND APPEALS BEFORE THE SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION, AND OTHERWISE PERTAINING TO CHAPTER 17E OF THE GENERAL STATUTES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 17E-1 reads as rewritten:

"**§ 17E-1. Findings and policy.**

The General Assembly finds and declares that the office of sheriff, the office of deputy sheriff and the other officers and employees of the sheriff of a county are unique among all of the law-enforcement offices of North Carolina. The administration of criminal justice has been declared by Chapter 17C of the General Statutes to be of statewide concern to the people of the State. The sheriff is the only officer of local government required by the Constitution. The sheriff, in addition to his criminal justice responsibilities, is the only officer who is also responsible for the courts of the State, and acting as their bailiff and marshall. The sheriff administers and executes criminal and civil justice and acts as the ex officio ~~jailer.~~ detention officer.

The deputy sheriff has been held by the Supreme Court of this State to hold an office of special trust and confidence, acting in the name of and with powers coterminous with his principal, the elected sheriff.

The offices of sheriff and deputy sheriff are therefore of special concern to the public health, safety, welfare and morals of the people of the State. The training and

Sponsors: Representatives Richardson and Justus.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO CREATE THE NORTH CAROLINA DRUG TREATMENT COURT PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. Subchapter IV of Chapter 7A of the General Statutes is amended by adding a new Article to read:

"ARTICLE 19A.

"North Carolina Drug Treatment Court Program Act.

"**§ 7A-233. Short title.**

This Article shall be known and may be cited as the 'North Carolina Drug Treatment Court Program Act of 1995'.

"**§ 7A-234. Purpose.**

The General Assembly recognizes that there is a critical need in this State for programs within the criminal justice system that will reduce the incidences of drug addiction and crimes committed as a result of drug addiction. It is the intent of the General Assembly by this Article to create a program to facilitate the creation of drug treatment courts in all prosecutorial districts and to fund pilot programs in a minimum of two prosecutorial districts. The General Assembly intends further by this Article to encourage and assist prosecutorial districts in developing programs that will provide intensive treatment for drug users and addicts, reduce the repeat offenses committed by the potential drug abuse population, and expedite the movement of certain felonies and misdemeanors through the court system.

Short Title: State Veterans Home Program/AB. (Public)

Sponsors: Representative Richardson.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR THE STATE OF NORTH CAROLINA TO ESTABLISH A STATE VETERANS HOME PROGRAM IN THE DIVISION OF VETERANS AFFAIRS OF THE DEPARTMENT OF ADMINISTRATION.

Whereas, there are more than 700,000 veterans in North Carolina, of whom more than 200,000 are 65 years of age or older, with the percentage of older veterans projected to grow significantly in the future; and

Whereas, the General Assembly authorized the Veterans Home Study Commission to conduct an independent study to determine the feasibility of constructing a State Veterans Home which, after due consideration, determined that the construction of a home was not only feasible, but also necessary because of the aging veteran population; and

Whereas, a study commissioned by the 1992 General Assembly concurred with the results of the study conducted by the Veterans Home Study Commission in projecting the need for a skilled nursing care bed State Veterans Home on a site adjacent to the Fayetteville Veterans Administration Medical Center; and

Whereas, the General Assembly finds and determines that there currently exists a significant need for health, nursing, and medical rehabilitative facilities for those residents of this State who have served their State and nation in the Armed Forces; and

Whereas, the General Assembly further finds and determines that to meet this need there should be established a State Veterans Home program to provide nursing home care to veterans who are residents of North Carolina; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. G.S. 157-29 is amended by adding a new subsection to read:

"(d) In any summary ejectment action authorized under Chapter 42 of the General Statutes arising out of a lease termination described in this subsection, an authority may file with the clerk of superior court at any time prior to a hearing before the magistrate a demand that the action not be heard and decided by the magistrate but instead be assigned for trial at the first session of the district court after the filing of the demand, as in the case of appeals pursuant to G.S. 42-34(a) and subject to the same discretion afforded the presiding judge under that section. The authority may exercise its election under this subsection only in cases involving termination of a rental agreement for the following activities of a tenant or a tenant's family member, visitor, or guest:

(1) Criminal activity that threatens the health, safety, or right to peaceful enjoyment of the authority's public housing premises by other residents or employees of the authority; or

(2) Any drug-related criminal activity on or near the authority's public housing premises.

Upon assignment to the district court, the case shall be handled and disposed of in the same manner as an appeal from the magistrate, in accordance with all relevant provisions of Chapters 7A and 42 of the General Statutes."

Sec. 2. This act becomes effective July 1, 1995.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE HEART DISEASE AND STROKE PREVENTION TASK FORCE AND TO APPROPRIATE FUNDS TO IMPLEMENT THIS ACT.

Whereas, heart disease and stroke are major preventable killers in North Carolina; and

Whereas, it is the public policy of this State to prevent unnecessary mortality, morbidity, and costs from heart disease and stroke wherever possible; and

Whereas, the General Assembly recognizes that prevention of heart disease and stroke is a matter of both State and local policy and of public concern; that involving professionals from multiple disciplines and persons from multiple sectors of society can increase the understanding of the causes of and methods for preventing the heart disease and stroke burden to the citizens of North Carolina; and that a coordinated, comprehensive, planned joint public and private effort is needed to achieve the prevention of this unnecessary burden from heart disease and stroke in North Carolina; and

Whereas, heart disease and stroke are North Carolina's leading killers, accounting for approximately 40% of all deaths; and

Whereas, heart disease and stroke are major causes of hospitalization, disability, and health care costs, and during a 12-month period from 1991 to 1992, $590,000,000 was spent by North Carolina hospitals for heart failure and shock, cerebrovascular diseases, coronary bypass, cardiac catheterization, and heart transplants alone; and

Whereas, risk factors for developing heart disease and stroke are widespread (high blood pressure, high cholesterol, physical inactivity, overweight, smoking, diabetes), nearly all can be reduced and/or prevented; and

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1995

H.B. FILED

0541 MAR 22 95

HOUSE PRINCIPAL CLERK

H D

HOUSE DRH2069*-LC184(3.8)

Short Title: Set Uniform Occupancy Tax Rules. (Public)

Sponsors: Representative Ellis.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH UNIFORM PROVISIONS FOR LOCAL OCCUPANCY TAXES.

Whereas, the General Assembly finds that the travel and tourism industry is a large and important sector of the State's economy; and

Whereas, the General Assembly finds that travel and tourism is highly competitive, that the State has lost some market share to other states in the region in recent years, and that promotion and advertising are crucial to the future growth of the travel and tourism industry in North Carolina; and

Whereas, many counties and cities, pursuant to local acts of the General Assembly, have imposed special local occupancy taxes in recent years; and

Whereas, most local occupancy taxes now in effect were adopted for the specific purpose of funding the promotion and development of travel and tourism in the taxing jurisdiction; and

Whereas, the General Assembly recognizes that revenues collected from local occupancy taxes can be used to beneficially promote the expansion of the travel and tourism sector of the State's economy and increased employment opportunities for citizens of the State only if:

(1) The taxes do not exceed a maximum of 6%;

(2) The revenues from the taxes are devoted to promotion, advertising, and other related purposes;

HOUSE DRH6074*-LL114(2.22)

Short Title: Joint Municipal Power Amendments. (Public)

Sponsors: Representative Miner.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ENABLE JOINT MUNICIPAL POWER AGENCIES TO ENGAGE IN ELECTRIC SYSTEM ACTIVITIES AT THE DISTRIBUTION LEVEL, TO PERMIT TWO EXISTING JOINT MUNICIPAL POWER AGENCIES TO EFFECT CORPORATE REORGANIZATION, AND TO MAKE TECHNICAL CHANGES TO THE STATUTES GOVERNING JOINT MUNICIPAL POWER AGENCIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 159B-2 reads as rewritten:

"**§ 159B-2. Legislative findings and purposes.**

The General Assembly hereby finds and determines that:

A critical situation exists with respect to the present and future supply of electric power and energy in the State of North Carolina;

The public utilities operating in the State have sustained greatly increased capital and operating costs;

Such public utilities have found it necessary to postpone or curtail construction of planned generation and transmission facilities serving the consumers of electricity in the State, increasing the ultimate cost of such facilities to the public utilities, and that such postponements and curtailments will have an adverse effect on the provision of adequate and reliable electric service in the State;

The above conditions have occurred despite substantial increases in electric rates;

In the absence of further material increases in electric rates, additional postponements and curtailments in the construction of additional generation and transmission facilities may occur, thereby impairing those utilities' ability to continue to provide an adequate and reliable source of electric power and energy in the State;

HOUSE JOINT RESOLUTION DRHJR4053-LG035B(2.16)

Sponsors: Representative Decker.

Referred to:

A JOINT RESOLUTION DEMANDING THAT THE FEDERAL GOVERNMENT CEASE AND DESIST MANDATES THAT ARE BEYOND THE SCOPE OF ITS CONSTITUTIONALLY DELEGATED POWERS.

Whereas, the Tenth Amendment to the Constitution of the United States reads as follows:

"The powers not delegated to the United States by the constitution, nor prohibited by it to the states, are reserved to the states, respectively, or to the people."; and

Whereas, the Tenth Amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more; and

Whereas, the scope of power defined by the Tenth Amendment means that the federal government was created by the states specifically to be an agent of the states; and

Whereas, in 1995, the states are in fact treated as agents of the federal government; and

Whereas, many federal mandates are directly in violation of the Tenth Amendment to the Constitution of the United States; and

Whereas, the United States Supreme Court has ruled in New York v. United States, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and

Whereas, a number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the United States Constitution;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. That the State of North Carolina claims sovereignty under the Tenth Amendment to the Constitution of the United States over all other powers not

AN ACT TO PROHIBIT DISCRIMINATION IN HEALTH AND ACCIDENT INSURANCE AGAINST COVERAGE FOR PROCEDURES INVOLVING CERTAIN BONES OR JOINTS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 58 of the General Statutes is amended by adding the following new section to read:

"**§ 58-3-121. Discrimination against coverage of certain bones and joints prohibited.**

(a) Discrimination against coverage of procedures involving bones or joints of the face, neck, or head is prohibited in any health benefit plan. Whenever a health benefit plan provides coverage on a group or individual basis for diagnostic, therapeutic, or surgical procedures involving bones or joints of the human skeletal structure, that plan may not exclude or deny the same coverage for procedures involving any bone or joint of the face, neck, or head, so long as the procedure is medically necessary to treat a condition of the particular bone or joint involved that is caused by congenital deformity, disease, or traumatic injury. The coverage required by this section involving bones or joints of the face, neck, or head shall be subject to the same conditions and limitations as are applicable to coverage of procedures involving other bones and joints of the human skeletal structure.

(b) For purposes of this section, in providing coverage for the treatment of conditions of the jaw (temporomandibular joint), authorized therapeutic procedures shall include splinting and use of intraoral prosthetic appliances to correct misalignment of the bones. Payment for these therapeutic procedures, and for procedures involved in any other nonsurgical treatment of temporomandibular joint dysfunction, may be subjected to a reasonable lifetime maximum dollar amount.
