Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROHIBIT CERTAIN CASINO BOATS FROM OPERATING IN NORTH CAROLINA AND TO REGULATE CERTAIN CASINO BOATS THAT OPERATE IN NORTH CAROLINA PURSUANT TO FEDERAL LAW AND TO LEVY A PRIVILEGE TAX ON GAMBLING BOATS OPERATING IN NORTH CAROLINA AND TO REQUIRE WITHHOLDING FROM CERTAIN GAMBLING BOAT WINNINGS.

Whereas, North Carolina has a long history of outlawing gambling within the State; with gambling being illegal since 1891, allowing gambling in houses of public entertainment being illegal since 1799, and the possession of gambling devices outlawed in this State since 1791; and

Whereas, casino boats have started "gambling cruise to nowhere" operations in several states along the Atlantic Ocean, in an attempt to avoid the application of similar laws prohibiting gambling and the possession of gambling devices, with passengers embarking at ports within the State, passing beyond the three-mile State criminal jurisdictional limit where the gambling and use of the gambling devices actually take place, and then returning to the same port within the State where the passengers disembark; and

Whereas, the federal government has preempted regulation of the possession of gambling devices on certain casino boats that leave a port in one state, make at least one intervening stop in a second state, and then return to the same or another port in the first state as specified in 15 U.S.C. 1175(b)(2), commonly referred to as the Johnson Act Amendments of 1992; and

A BILL TO BE ENTITLED

AN ACT TO ENACT REFORMS IN THE LONG-TERM CARE INDUSTRY IN ORDER TO IMPROVE QUALITY OF CARE, INCREASE PROTECTION OF RESIDENTS, AND STRENGTHEN STATE OVERSIGHT OF INDUSTRY PRACTICES.

Whereas, because of shorter hospital stays, acutely ill elderly and disabled citizens are more often being sent directly from the hospital to a nursing home because of the need for higher levels of care; and

Whereas, the likelihood is increasing that adult care home residents will experience significant problems with activities of daily living and will therefore need heavy-care services; and

Whereas, although many adult care homes and nursing homes are able to vide adequate care and good quality of life for their residents, others of these es are understaffed and provide inadequate services; and

Whereas, staffing and service problems encompass not only staff-to-resident ratios but also insufficient staff training, staff incompetence, and failure to provide needed services for which the State has already paid; and

Whereas, although recent changes in State law have improved certain conditions in some long-term care facilities, the changes have not significantly improved the lives of many of the State's long-term care residents; and

Whereas, lapses in adequate care have compromised the safety of residents and have lead to unhealthy, unkind, and sometimes tragic results; and

Whereas, when experience shows that certain industry practices jeopardize the health and safety of long-term care residents, then the State should

Short Title: Review Tax Credits Periodically. (Public)

Sponsors: Representatives Gray, Cansler, Capps, Hill, Neely, Ramsey, and C. Wilson.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR PERIODIC REVIEW AND RENEWAL OF STATE TAX CREDITS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that tax credits are enacted from time to time to encourage or reward behavior that is beneficial to the State. These tax credits are tax expenditures that, like appropriations, spend public funds for the benefit of certain businesses, interest groups, and other taxpayers. Unlike appropriations, however, these tax credits may continue in perpetuity, costing the public millions of dollars each year without periodic review by the General Assembly. In order to allow the General Assembly the opportunity to consider each tax credit on its merits from time to time to determine whether it continues to serve a public purpose that justifies its cost to the public, each tax credit should be sunset every three years. After enactment of this act, those businesses, interest groups, and other taxpayers who benefit from these tax credits are encouraged to demonstrate the continued need for each tax credit. It is the intent of the General Assembly to review these tax credits and renew all that continue to serve a valid public purpose.

Section 2.(a) The following sections of Chapter 105 of the General Statutes are repealed effective for costs incurred and investments made during taxable years beginning on or after January 1, 2001:

§ 105-130.23. Credit against corporate income tax for solar energy equipment in residential buildings.

§ 105-151.2. Credit for solar energy equipment.

A JOINT RESOLUTION HONORING THE MEMORY OF JOHN REED ON THE BICENTENNIAL OF AMERICA'S FIRST GOLD DISCOVERY.

Whereas, John Reed, a Hessian soldier of the American Revolution who fled the British army, took up farming in present-day Cabarrus County; and

Whereas, in 1799 his 12-year-old son Conrad discovered a small wedge-shaped rock that weighed an estimated 17 pounds; and

Whereas, that find was the first authenticated discovery of gold north of Mexico and initiated the first gold rush in America; and

Whereas, during the next half century North Carolina played a leading role in gold mining, this activity reaching from the mountains to the coastal plain and employing thousands of North Carolinians; and

Whereas, the Bechtler family established the nation's first private mint in Rutherford County; and

Whereas, all of the native gold minted in the United States prior to 1828 came from the Old North State; and

Whereas, the United States government established a branch mint in Charlotte in 1837; and

Whereas, before 1849 North Carolina produced more gold than any state in the Union; and

Whereas, Canada and Alaska are commemorating the centennial of the Klondike gold rush; and

Whereas, the state of California is commemorating the sesquicentennial of the California gold rush; and

Whereas, North Carolina needs to reassert its primacy in the history of gold in America; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

Rep.)

moves to amend the bill on page 23 between , lines 40-41

( ) WHICH CHANGES THE TITLE

by adding a new Section 6.3.(a) to be denominated "Refund Intangibles Tax" to read as follows: The General Assembly finds that: In the lawsuit entitled Smith, et al v. the State of North Carolina, a class action lawsuit, a class of plaintiffs was created (identified as the "Class B Plaintiffs") for those persons who paid the intangibles tax, but did not follow the procedures required by the State's tax refund statute. Upon review of this action, the North Carolina Supreme Court held that the Class B Plaintiffs did not have to comply with the tax refund statute in order to obtain a refund of the intangibles taxes paid and that the plaintiffs were entitled to a refund of the intangibles tax so paid. Smith, at al. v. State of North Carolina, 349 NC 332 (1998). Consistent with the action of the North Carolina Supreme Court, the trial court **has** entered a judgment for the plaintiff class in this action. The liability of the State to the members of the plaintiff class is estimated to be $360,100,000. Said amount constitutes a valid existing debt of the State to the Class B Plaintiffs.
