A BILL TO BE ENTITLED

AN ACT TO LIMIT THE LENGTH OF LEGISLATIVE SESSIONS AND TO PROVIDE FOUR-YEAR TERMS FOR MEMBERS OF THE SENATE.

The General Assembly of North Carolina enacts:

Section 1. Section 11(1) of Article II of the Constitution of North Carolina reads as rewritten:

"(1) **Regular sessions.** The General Assembly shall meet in regular session in 1973 and every two years thereafter on the day prescribed by law. Beginning with the regular session in 2001, during an odd-numbered year the General Assembly shall remain in session for no more than 135 calendar days, except that this period may be extended by joint resolution once per regular session for not more than 10 days. SENATE DRS2503-LN021(1.25)

Short Title: Long-Term Care Safety Initiative. (Public)

Sponsors: Senator Perdue.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ENACT REFORMS IN THE LONG-TERM CARE INDUSTRY IN ORDER TO IMPROVE QUALITY OF CARE, INCREASE PROTECTION OF RESIDENTS, AND STRENGTHEN STATE OVERSIGHT OF INDUSTRY PRACTICES.

Whereas, because of shorter hospital stays, acutely ill elderly and disabled citizens are more often being sent directly from the hospital to a nursing home because of the need for higher levels of care; and

Whereas, the likelihood is increasing that adult care home residents will experience significant problems with activities of daily living and will therefore need heavy-care services; and

Whereas, although many adult care homes and nursing homes are able to provide adequate care and good quality of life for their residents, others of these homes are understaffed and provide inadequate services; and

Whereas, staffing and service problems encompass not only staff-to-resident ratios but also insufficient staff training, staff incompetence, and failure to provide needed services for which the State has already paid; and

Whereas, although recent changes in State law have improved certain conditions in some long-term care facilities, the changes have not significantly improved the lives of many of the State's long-term care residents; and

Whereas, lapses in adequate care have compromised the safety of residents and have lead to unhealthy, unkind, and sometimes tragic results; and

Whereas, when experience shows that certain industry practices jeopardize the health and safety of long-term care residents, then the State should strengthen its oversight of the industry to the extent necessary to protect and preserve the well-being of its elderly and disabled citizens; Now, therefore,

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ENSURE THAT INSURERS THAT PROVIDE HEALTH INSURANCE COVERAGE FOR PRESCRIPTION DRUGS PROVIDE COVERAGE FOR PRESCRIBED CONTRACEPTIVE DRUGS AND DEVICES AND FOR OUTPATIENT CONTRACEPTIVE SERVICES.

Whereas, there are approximately three million unintended pregnancies each year in the United States; and

Whereas, unintended pregnancies lead to higher rates of infant mortality, low birth weight, and maternal morbidity, and threaten the economic stability of families; and

Whereas, two-thirds of women of childbearing age rely on some form of private employment-related insurance to defray their medical expenses; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Effective January 1, 2000, Article 3 of Chapter 58 of the General Statutes is amended by adding the following new section to read:

"**§ 58-3-174. Coverage for prescription contraceptive drugs or devices and for outpatient contraceptive services.**

(a) Every entity providing a health benefit plan that provides coverage for prescription drugs or devices shall not exclude or restrict coverage for prescription contraceptive drugs or devices. Coverage shall include coverage for the insertion or removal of and any medically necessary examination associated with the use of the prescribed contraceptive drug or device. The same deductibles, coinsurance, and other limitations as apply to prescription drugs or devices covered under the health benefit plan shall apply to coverage for prescribed contraceptive drugs or devices.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A PROGRAM TO RAISE PUBLIC AWARENESS ABOUT THE PREVENTION, DIAGNOSIS, AND TREATMENT OF OSTEOPOROSIS.

Whereas, osteoporosis, a bone-thinning disease, is a major public health problem that poses a threat to the health and quality of life of over one million North Carolinians age 50 and over; and

Whereas, each year, more than 13,000 North Carolinians are hospitalized for hip fractures alone resulting in more than $57 million in direct medical costs; and

Whereas, one of two women and one of eight men will suffer an osteoporitic fracture in his or her lifetime; and

Whereas, because osteoporosis progresses silently and currently has no cure, prevention, early diagnosis, and treatment are key to reducing the prevalence of this disease; and

Whereas, many consumers, physicians, health care providers, and government agencies lack knowledge in the prevention, detection, and treatment of the disease; and

Whereas, experts in the field of osteoporosis believe that with greater awareness among medical experts, service providers, and the general public, osteoporosis can be prevented in the future, thereby reducing its prevalence, severity, and costly consequences; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. (a) Article 7 of Chapter 130A of the General Statutes is amended by adding the following new Part to read:

"Nurse Licensure Compact.

"**§ 90-171.80. Entering into Compact.**

The Nurse Licensure Compact is hereby enacted into law and entered into by this State with all other states legally joining therein, in the form substantially as set forth in this Article.

(a) The General Assembly of North Carolina makes the following findings:

(1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to states' nurse licensure laws.

(2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.

(3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.

(4) New practice modalities and technology make compliance with individual states' nurse licensure laws difficult and complex.

Short Title: Review Tax Credits Periodically. (Public)

Sponsors: Senators Kerr, Cochrane, Dalton, Hartsell, and Hoyle.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR PERIODIC REVIEW AND RENEWAL OF STATE TAX CREDITS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that tax credits are enacted from time to time to encourage or reward behavior that is beneficial to the State. These tax credits are tax expenditures that, like appropriations, spend public funds for the benefit of certain businesses, interest groups, and other taxpayers. Unlike appropriations, however, these tax credits may continue in perpetuity, costing the public millions of dollars each year without periodic review by the General Assembly. In order to allow the General Assembly the opportunity to consider each tax credit on its merits from time to time to determine whether it continues to serve a public purpose that justifies its cost to the public, each tax credit should be sunset every three years. After enactment of this act, those businesses, interest groups, and other taxpayers who benefit from these tax credits are encouraged to demonstrate the continued need for each tax credit. It is the intent of the General Assembly to review these tax credits and renew all that continue to serve a valid public purpose.

Section 2.(a) The following sections of Chapter 105 of the General Statutes are repealed effective for costs incurred and investments made during taxable years beginning on or after January 1, 2001:

§ 105-130.23.	Credit against corporate income tax for solar energy equipment in residential buildings.
§ 105-151.2.	Credit for solar energy equipment.
