H 1498. BUTNER/POWELL BILL CHANGE. Intro. 5/10/00. Senate amendment makes the following changes to 1st edition. Adds a provision to Sec. 169.1 of SL 1993-321. That section provides that the state Dep't of Transportation is to maintain the streets and highways on the state highway system within municipalities that are not eligible for funds under GS 136-41.2 (that is, certain cities that have not conducted the most recent municipal elections otherwise called for, have failed to levy property tax in a certain time, or have failed to adopt a budget). The section applies, however, only to municipalities incorporated between July 1, 1989 and June 30, 1993. This amendment makes it applicable also to municipalities incorporated between June 1, 1978 and June 30, 1978.
