H 1564. INFORMATION TECHNOLOGY PROCUREMENT. TO MAKE TECHNICAL AND CLARIFYING CHANGES TO THE LAWS REGARDING THE PROCUREMENT OF INFORMATION TECHNOLOGY BY STATE AGENCIES AND INSTITUTIONS. Amends GS 143B-472.51 and 143B-472.54 to permit UNC and constituent institutions to participate in information technology procurement under Office of Information Technology Services (OITS) or in compliance with Dept. of Administration requirements; in addition, provides that procurement of information technology for public schools and community colleges to be governed by OITS in accordance with applicable rules and procedures for review and approval by OITS. Adds provision to former section allowing local governments to use OITS contracts and not otherwise have to bid purchases of equipment. Adds provision to latter section making responses to solicitations and all information and documentation relative to development of contractual document "confidential in nature," with permission to make it public after contract award; provides that security and privacy-related information to remain confidential. Effective July 1, 2000.
