H 1578. INFORMATION TECHNOLOGY GOVERNANCE. Intro. 5/18/00. House committee substitute makes the following changes to 1st edition.

Revises proposed GS 147-33.76 to remove provision setting four-year term for Chief Information Officer, and to require that Governor submit name of person to be appointed to this position for review by Senate Comm. on Information Technology and House Comm. on Technology.

Revises proposed GS 147-33.78 to make Chief Information Officer nonvoting member of Information Resource Management Comm'n.

Amends proposed GS 147-33.82 (sec. 147-33.81 in original bill) to allow UNC and Judicial Department, otherwise exempt from bill's provisions, to either participate in information technology procurement under bill or obtain information technology in compliance with Dep't of Administration requirements. Permits, but does not require, UNC and local government entities (including school units) to use services of Office of Info. Technology Services. Makes clear that local government entities are not required to comply with otherwise applicable competitive bidding requirements if using contracts established by Office.
