H 1815. AMEND CLEAN WATER TRUST FUND (=S 1501). *TO CHANGE THE ALLOCATIONS OF THE CLEAN WATER MANAGEMENT TRUST FUND.* Revises GS 113-145.3A to require that funds in the Clean Water Management Trust Fund be allocated to 17 river basin accounts in amount equal to the population in that river basin on June 30 of that fiscal year (at rate of \$1.00 per person). Directs trustees of Clean Water Fund to award grants from these accounts for purposes described in current GS 113-145.3. Provides further that eligible river basin association, as defined in new GS 113-145.3A(d), may apply to trustees for authority to award grants for its river basin. Also amends GS 113-145.6A to require river basin associations that award grants to submit quarterly financial reports, beginning Nov. 1, 2000, to Trustees of Clean Water Fund and specified commissions and legislative committees. Effective July 1, 2000.
