**H 829. TRANSYLVANIA SCH. CONSTRUCTION FLEX. TO ASSIST THE TRANSYLVANIA SCHOOLS WITH THE EXPEDITING OF PUBLIC SCHOOL FACILITIES.** Provides that, despite the competitive bidding requirements that would otherwise apply, the cited county's board of education may select and negotiate with separate prime contractors to build Phase II of Brevard High School if the board determines that such a process instead of competitive bidding will expedite the project, create an effective construction team, and control costs, quality, and schedule. Applies to specified construction using 1996 state bond funding and 1997 local bond funding with construction to begin June 1999 and completion scheduled by Dec. 2001.
