S 1081. RECYCLED MATERIALS ROAD MAINTENANCE. *TO REQUIRE THE DEPARTMENT OF TRANSPORTATION TO EXPAND THE USE OF RECYCLED MATERIALS IN ROAD MAINTENANCE.* Amends GS 136-28.8, which imposes on the Department of Transportation certain obligations regarding use of recycled materials in road *construction*, to expand the requirements to include road *maintenance*, and to specifically require use of hot in-place recycling in road maintenance where consistent with economic feasibility and applicable engineering and environmental quality standards. Effective July 1, 1999.

S 1081. RECYCLED MATERIALS IN ROAD MAINTENANCE. Intro. 4/15/99. Senate amendment makes the following changes to 1st edition. Makes technical changes only.

June 22, 2000

S 1081. AGGREGATE WEIGHT CHANGE. Intro. 4/15/99. House committee substitute makes the following changes to 2nd edition. Replaces original bill with "AN ACT TO PROVIDE ECONOMIC PARITY FOR THE HAULING OF AGGREGATE PRODUCTS FROM LIMITED AREAS OF THE STATE." Adds GS 20-118(c)(14) to provide that GS 20-118(b) and (e) do not apply to vehicle hauling aggregates from a distribution yard or a State-permitted production site within a North Carolina county contiguous to the border to a destination in an adjacent state, that does not operate on an interstate highway or posted bridge, and that does not exceed stated weight limits. Effective July 1, 2000.
