S 178. UNIFORM PRUDENT INVESTOR. Intro. 3/1/99. House committee substitute makes the following changes to 1st edition. Rewrites new GS 36A-161(d) to provide that trusts imposed or required under another GS chapter, or administrative rule, would not be covered by this new law unless a provision in that other chapter, or rule, provides otherwise by specific reference to this Article. Clarifies that new law would not apply to estates managed by personal representatives.
