H 1009. CONSISTENT RISK-BASED REMEDIAL ACTIONS. Intro. 4/9/01. House amendment # 1 changes 1st edition by deleting provision in section 2 that permits Secretary to adopt temporary rules under specified procedures. Adds April 1, 2005, sunset provision. Amendment # 2 adds language providing that rules to establish a risk-based approach to remediation must be in addition to the health-based groundwater classifications and standards adopted by the Environmental Management Commission.
