S 1023. REVISE UNIFORM ELECTRONIC TRANSACTIONS ACT. Intro. 4/5/01. Senate committee substitute makes the following changes to 1st edition. Amends GS 66-318 to provide that the law will not recognize an electronic record transaction as being "in writing" if the electronic record is not capable of being accurately reproduced for later reference by all parties entitled to retain it. Adds new GS 66-329 to provide that, until the General Assembly enacts the Uniform Computer Information Transactions Act or any substantially similar law, a choice of law provision in a computer information agreement is voidable and will be interpreted under the laws of North Carolina whenever the provision provides that the contract is to be interpreted pursuant to the laws of a state that has enacted the Uniform Computer Information Transactions Act. Makes other technical changes.
