**S 1047. RESTORE MOUNTAIN AIR QUALITY.** Intro. 4/5/01. Senate committee substitute makes the following changes to 1st edition. Replaces blank bill with *AN ACT TO RESTORE AIR QUALITY IN THE MOUNTAIN REGION OF THE STATE*. Directs Environmental Management Comm'n to develop a plan to reduce haze caused by air contamination in the NC mountains to the levels that existed before 1980 and to report on the plan by Oct. 1, 2002. Report must specifically identify man-made air contaminant sources that significantly contribute to haze and are not subject to the Comm'n's regulatory authority. Requires Dep't of Environment and Natural Resources to report annually to the Comm'n on the programs, activities, and status of any multistate air quality body in which the Dep't participates.
