**S 1075. AMEND UNIFORM ANAT. GIFT ACT. TO AMEND THE DEFINITION OF THE TERMS "QUALIFIED INDIVIDUAL" AND "TISSUE BANK" IN THE UNIFORM ANATOMICAL GIFT ACT.**

Amends GS 130A-403 as title indicates. Includes in definition of "tissue bank" any facility or program registered with the Food and Drug Administration as a tissue bank; and includes in definition of "qualified individual" a person in the listed categories who has completed a course in eye enucleation and has been certified as competent to perform in situ excision by an eye bank accredited by the Eye Bank Association of America. Modifies definition of technician in definition of "qualified individual" to provide that the person must have completed an examination administered by an eye bank registered with Food and Drug Administration and accredited by Eye Bank Association of America.
