**S 1366. GREENSBORO-REQUIRE HOUSING REPAIRS.** *TO AUTHORIZE THE CITY OF GREENSBORO TO REQUIRE OWNERS OF RESIDENTIAL PROPERTY TO REPAIR HOUSING TO MEET MINIMUM CODE STANDARDS.* Amends GS 160A-443(3)a. as it applies to the City of Greensboro to allow housing inspector to order the owner of a deteriorated house that violates the minimum housing code to repair the dwelling (now, general statute appears to require the inspector to provide the owner with the option of either repairing the dwelling or vacating or closing it).
