

April 5, 2001

S 972. SCRAP TIRE AMENDMENTS. *TO AMEND THE SCRAP TIRE MANAGEMENT LAWS OF THE STATE.* Removes sunset on scrap tire disposal tax (was to expire June 30, 2002).

Authorizes Dep't of Environment and Natural Resources to use up to \$55,000 or 3 percent of the revenue in the Scrap Tire Disposal Account, whichever is less, to support a position to assist local governments in developing and implementing scrap tire management programs. Makes additional technical changes. Removal of tax sunset effective when it becomes law; remainder effective July 1, 2001.
