H 1028. NEW BULKHEAD PERMIT. *TO ESTABLISH A GENERAL PERMIT FOR THE CONSTRUCTION OF RIPRAP SILLS FOR WETLAND ENHANCEMENT AND SHORELINE PROTECTION IN ESTUARINE AND PUBLIC TRUST WATERS.* Adds new GS 113A-118.1A to direct Coastal Resources Comm'n to establish permit for construction of offshore parallel sills for shoreline protection in conjunction with wetlands; affected shoreline must be experiencing erosion in public trust areas and estuarine waters as defined in state administrative code. Generally, may not apply in ocean hazard areas of environmental concern or surrounding waters, with limited exceptions for specific shorelines in Inlet Hazard Area. Lists several general and specific conditions that must be included in permit. Effective Dec. 1, 2003, although Dep't of Environment and Natural Resources may begin preparations to issue permit as soon as act becomes law.

H 1028. NEW BULKHEAD PERMIT. Intro. 4/10/03. House committee substitute makes the following changes to 2nd edition. Deletes GS 113A-118.1A (delineating requirements for issuance of permit for construction of riprap sills) and replaces it with provision authorizing the Coastal Resources Comm'n to adopt temporary rules to establish permit, temporary rules to continue in effect until July 1, 2004. Establishes a fee of \$100.00 for permit issued pursuant to temporary rules. Deletes Dec. 1, 2003, deadline for establishment of permit.
