**H 1181. WORKPLACE SAFETY/REINSPECTIONS (NEW).** Intro. 4/10/03. House committee substitute makes the following changes to 1st edition. Deletes new section GS 95-136.1 provided in original bill. Replaces it with amendment to GS 95-136(a) to require that the Comm'r or Director reinspect any place of employment where a willful serious violation was found to exist during the previous inspection and a final order has been entered. Changes title accordingly.
