April 15, 2003

H 357. NO CREDIT CARD NUMBER ON RECEIPTS. Intro. 3/10/03. House committee substitute makes the following changes to 1st edition. Rewrites bill so it now adds new GS 14-113.24 and – 113.25. (1) Makes it an infraction for any one who accepts credit, charge, or debit cards for the transaction of business to print more than five digits of the card number or the expiration date on any receipt with the intent to provide the receipt to the cardholder at the point of sale. Applies to any one who employs a cash register or other machine or device that electronically prints receipts that is first used on or after March 1, 2004. (After July 1, 2005, applies to all machines regardless of when first put into service.) Does not apply to any one whose sole means of recording a credit, charge, or debit card number is by handwriting or by an imprint or copy of the card. (2) Makes it an infraction for any one to sell or offer for sale a cash register or other machine or device that electronically prints receipts for credit, charge, or debit card transactions that cannot be programmed or operated to produce a receipt with five or fewer digits and with no expiration date. Effective March 1, 2004.
