**H 888. PURCHASE FLEX/SCH TRANSPORTATION.** *TO INCREASE PURCHASING FLEXIBILITY FOR PUBLIC SCHOOLS.* GS 115C-522.1(e) authorizes the State Board of Education to adopt rules to exempt from the purchasing flexibility authority granted local school administrative units the purchase of supplies, equipment, and materials related to student transportation. This bill deletes subsection (e) entirely, thereby removing the State Board's rule-making powers on this subject.
