Amends GS 18B-501(f) as it applies to Craven County ABC Board to provide that board can hire ABC officers and may contract with other local law enforcement agencies for ABC laws enforcement. Requires law enforcement officers under contract with local ABC board to be certified by chief ABC officer as having received same training in enforcement of ABC laws as ABC officers before carrying out ABC law enforcement duties. Provides that payments received by contracting agency are in addition to profits allocated to local governments from sale of alcoholic beverages.
