S 822. LIMIT IMPERVIOUS SURFACE OF PARKING LOTS. *TO LIMIT THE AREA OF IMPERVIOUS SURFACE OF CERTAIN PARKING LOTS.* Amends GS 143-214.7 to impose a limit of 50% impervious surface area, not including landscaped areas associated with the parking lot. Applies to parking lots for which a stormwater permit is required, and that provide space for 10 or more vehicles. Effective when it becomes law and applies to any stormwater permit issued on or after Oct. 1, 2003.
