S 863. NC CLIMATE ACTION REGISTRY. TO ESTABLISH THE NORTH CAROLINA CLIMATE ACTION REGISTRY. Creates new GS 143-215.107E to establish registry as title indicates in order to document and track greenhouse gas emissions. Requires DENR, no later than July 1, 2004, to adopt guidelines to establish the registry. Provides for reporting of emissions to be voluntary at first, but provides dates by which rules will require reporting for all facilities that are required to obtain air quality permits. Includes definitions of greenhouse gas and greenhouse gas emissions.
