**S 931. NO PORTFOLIO REQUIRED/TEACHER CERTIFICATION. *ELIMINATING THE PORTFOLIO REQUIREMENT FOR TEACHER CERTIFICATION.*** Amends GS 115C-296(b) as title indicates. Requires State Board of Education to revise standards for continuing certification to eliminate portfolio requirement. Repeals provision in SL 2001-424 requiring State Board of Education to modify performance-based licensure program to provide additional support for initially certified teachers. Provides that no new requirement added by State Board of Education to teacher certification process as a result of violation of rules of legislature in 20002 may be required for licensure now or in future without explicit legislative authorization.
