H 1065. SULLIVAN ACT II. REGARDING WATER RATES IN BUNCOMBE COUNTY. Prohibits Asheville from charging Buncombe County consumers who are connected to waterlines maintained by the Asheville/Buncombe Water Authority higher water rates than the rates charged Asheville consumers in the same classification. Authorizes Asheville to cut off water to any districts or consumers that fail to promptly pay a water bill and to discontinue the supply of water to any districts or consumers outside Asheville's corporate limits in the event of a drought or an emergency, or if Asheville determines that it has use for its entire water supply. Requires that the Buncombe County Board of Comm'rs and/or the water district trustees maintain those waterlines that they own.
