**H 1189. FONTANA LAKE PROTECTION.** Intro. 4/12/05. House committee substitute makes the following changes to 1st edition. Replaces provisions of bill with requirement that Environmental Management Commission start rule making process by September 1, 2005, to adopt rules to reclassify as outstanding resource waters pursuant to GS 143-214.1 all watersheds of creeks that drain to north shore of Fontana Lake between and including Eagle and Forney Creeks. Until rules adopted, minimum water management strategy set out in North Carolina administrative code applies to that area.
