H 1346. INTERSTATE COMPACT FOR JUVENILES. TO ENACT THE INTERSTATE COMPACT FOR JUVENILES. Enacts new Article 40 of GS Chapter 7B as title indicates. The new compact establishes a procedural means to regulate the movement across state lines of juveniles who are under court supervision. It provides for the monitoring and return of any juvenile who has run away from home without the consent of a parent or legal guardian; is placed on probation or parole and wants to reside in another state; has absconded from probation or parole or escaped from an institution and is located in another state; requires institutional care and specialized services in another state; or has a pending delinquency, neglect, or dependency hearing and runs away to another state. Also provides for the establishment of an independent compact operating authority to administer ongoing compact activity, including a provision for staff support; gubernatorial appointment representations of all member states on a national governing commission, which meets annually to elect the compact operating authority members and attends to general business and rulemaking procedures; a rule-making authority and a provision for significant sanctions to support essential compact operations; a mandatory funding mechanism through assessments on member states sufficient to support essential compact operations (staffing, data collection, training, education, and so forth); the collection of standardized information and information sharing systems; and the coordination and cooperation with other interstate compacts including the Interstate Compact for Adult Offender Supervision and Interstate Compact for the Placement of Children.

If enacted, new Interstate Compact for Juveniles becomes effective if and when it is adopted by thirty-five states. Current version of Interstate Compact for Juveniles (GS Chapter 7B, Article 28) is repealed one year after effective date of new Interstate Compact for Juveniles.
