H 1395. AMEND BEAR BAITING PROHIBITION. TO AMEND THE LAW PROHIBITING THE BAITING OF BLACK BEAR. Amends GS 113-291.1(b) to allow Wildlife Resources Comm'n to adopt rules prohibiting the placement of processed food products in areas frequented by black bears and prescribe time limits within which hunting is prohibited in areas where these products have been placed if it determines that such placement is detrimental to health of individual black bears or is attracting and keeping black bears in an area to the extent that natural pattern of movement and distribution is disrupted and bears' vulnerability to mortality factors is increased to level that may affect bear population. Effective October 1, 2005.
