H 2147. USE OF EXISTING PLANS FOR STATE CONSTRUCTION. Filed 5/17/06. *TO REQUIRE STATE AGENCIES TO USE EXISTING PLANS FOR STATE CONSTRUCTION PROJECTS WHERE FEASIBLE.* Rewrites GS 143-31.1 to require state agencies, before designing a construction project, to consult with the Department of Administration on whether appropriate plans and specifications exist and are feasible for the project, and to use existing plans when feasible. Rewrites GS 116-31.11(a) to enact the same requirement for the Board of Governors of The University of North Carolina with respect to projects with estimated expenditure of public money of \$2 million or less. Effective July 1, 2006, and applies to construction projects on which design is begun after that date.

Intro. by Crawford.

GS 116, 143

July 20, 2006

H 2147. USE OF EXISTING PLANS FOR STATE CONSTRUCTION. Filed 5/17/06. House committee substitute makes the following changes to 1st edition. Changes effective date of act from July 1, 2006, to September 1, 2006.

July 25, 2006

H 2147. USE OF EXISTING PLANS FOR STATE CONSTRUCTION. Filed 5/17/06. House amendment makes the following changes to 2nd edition. If HB 914 becomes law, effective July 1, 2007, modifies GS 143-341(3), as amended by section 96 of HB 914 (architecture and engineering duties of Department of Administration), to add a new sub-subdivision authorizing the Department of Administration to require all State agencies to use existing plans and specifications for construction projects and consult with the Department of Administration on the availability of appropriate existing plans and specifications. Specifies that the new sub-subdivision does not apply to projects by the University of North Carolina.
