**H 2433. FINANCE LAW CHANGES-1.** Filed 5/23/06. *TO SUNSET THE INCREASE IN THE STATE SALES AND USE TAX RATE EARLY.* In Section 9.1 of SL 2005-144 and in the 2005 Appropriations Act (SL 2005-276), the General Assembly extended until July 1, 2007, the sunset on the additional 0.5 percent state sales and use tax, which would have otherwise expired July 1, 2005. This act amends the 2005 Appropriations Act to change the sunset to June 1, 2007.
