**H 754. UNC CONSTRUCTION SPECIFICATIONS.** *TO ALLOW THE CAMPUSES OF THE UNIVERSITY OF NORTH CAROLINA TO ESTABLISH CAMPUS STANDARDS FOR BUILDING COMPONENTS AND TO SPECIFY THE COMPONENTS BY BRAND WHEN WRITING CONSTRUCTION SPECIFICATIONS.* Amends GS 133-3 as title indicates. Before specifying a construction component by brand name, requires institution to conduct a public process in which it specifies performance and design characteristics required, documents its justification for invoking this provision, and provides all suppliers an opportunity to propose one or more products that will meet the performance and design characteristics specified.
