S 1055. GLASS TECHNICIANS LICENSURE. TO ESTABLISH LICENSURE REQUIREMENTS FOR GLASS TECHNICIANS. Adds Article 18 to GS Chapter 20 to require persons who engage in the practice of automotive glass work, automotive glass repair work, or flat glass work to be licensed after July 1, 2006. Creates NC Glass Technicians Board of Examiners of seven members to license glass technicians. Sets out qualifications for licensure as automotive glass technician, automotive glass repair technician, and flat glass technician; specifies maximum fees for license; and sets out grounds for disciplinary action against licensee.
