Adds GS 14-415.16A to provide that military permittee (defined as deployed military member who holds a permit to carry a concealed weapon) or the permittee's agent may apply for an extension of the permit by providing the sheriff with a copy of the permittee's proof of deployment, and sheriff must extend permit for a period to end 90 days after the military member's deployment is scheduled to end. Permittee must apply to renew the permit within 90 days after the end of deployment and bring proof of deployment to the sheriff. Specifies that permittee may carry concealed weapon during that 90-day period before renewal if displays proof of deployment to law enforcement officer.
