**S 350. 2006 VARIOUS LOCAL ACTS.** Filed 3/2/05. Conference report recommends the following changes to 3rd edition to reconcile matters in controversy. The 3rd edition permits Marshville and Wingate to extend their extraterritorial land-use regulatory jurisdiction into areas even though the county may be exercising zoning and subdivision power in the areas and enforcing the building code in the areas. The conference report requires that the towns provide 180 days' notice to the county commissioners before doing so, unless the commissioners agree to an earlier date.
