**S 846. MODERNIZE BAIL BONDSMAN REGISTRATION. MODERNIZING THE MANNER IN WHICH BAIL BONDSMEN REGISTER THEIR LICENSES.** Adds new GS 58-71-140(e) requiring the Commissioner of Insurance and the Administrative Office of the Courts to establish a statewide Electronic Bondsmen Registry for all licenses, powers of appointment, and powers of attorney that must be registered by bail bondsmen, surety bondsmen, and runners. On or after the date the Commissioner notifies these persons and qualified insurance companies of the registry, a bondsman or runner who completes registration in the registry is authorized to execute bail bonds pursuant to the registered documents in all counties as long as the license or other registered document remains in effect. Rewrites GS 15A-544.7 to specify the consequences for sureties and agents with regard to docketing and enforcement of final judgments of forfeiture once the registry is in effect.
