H 1237. PARKED CARS VISIBLE IN INCLEMENT WEATHER. Filed 3/28/07. *TO REQUIRE VEHICLES PARKED ON HIGHWAYS TO BE VISIBLE FOR TWO HUNDRED FEET IN INCLEMENT WEATHER AND DURING THE NIGHT.*

GS 20-161(b) requires that vehicles parked on highways must be visible from 200 feet. This act adds that the requirement applies at any time, including at night and in inclement weather. Effective December 1, 2007, and applies to offenses committed on or after that date.
