H 1764. PRIVACY OF ONLINE CRASH REPORT INFORMATION. Filed 4/18/07. *TO REQUIRE THE REDACTION OF PERSONAL INFORMATION CONTAINED IN CRASH REPORTS THAT MAY BE USED TO STEAL THE IDENTITY OF ANOTHER PERSON AND THAT MAY BE PUBLISHED ONLINE OR MADE AVAILABLE THROUGH THE PUBLIC INFORMATION LAWS OF THIS STATE.*

Amends GS 20-166.1 (dealing with accident reports) to designate the reports as crash reports instead of accident reports and to provide that home address, birth date, phone number, employer information, insurance information, and driver license number may not be included in copies of reports made available to the public. Allows full report to be reviewed by law enforcement, attorneys, insurance companies, government officials, and parties to the crash.
