**H 1868. EROSION/SEDIMENTATION CONTROL FEE/POSITIONS.** Filed 4/23/07. *TO INCREASE THE FEE FOR THE REVIEW OF EROSION AND SEDIMENTATION CONTROL PLANS TO AN AMOUNT SUFFICIENT TO PROVIDE THE FUNDS NEEDED TO ESTABLISH AND SUPPORT SEVEN EROSION AND SEDIMENTATION CONTROL INSPECTOR POSITIONS IN THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES.*

Amends GS 113A-54.2 to set the fee for reviewing erosion and sedimentation control plans at \$65 per acre of disturbed land shown on the plan or of land actually disturbed during the project (current law allows the North Carolina Sedimentation Control Commission to establish a fee for reviewing and approving erosion and sedimentation control plans, not to exceed \$50 per acre of disturbed land shown on the plan or of land actually disturbed during the project). Of the fees collected under GS 113A-54.2 and credited to the Sedimentation Account, the Department of Environment and Natural Resources is required to use \$472,500 for the 2007-08 fiscal year and \$472,500 for the 2008-09 fiscal year to support seven new erosion and sedimentation control inspector positions within the Division of Land Resources. Effective July 1, 2007.
