H 1894. STUDY COMMISSION ON GREENHOUSE REGULATIONS. Filed 4/26/07. *TO ESTABLISH THE STUDY COMMISSION ON GREENHOUSE REGULATIONS.*

Establishes the seven-member Study Commission on Greenhouse Regulations to study the building code regulations that apply to greenhouses to consider whether greenhouses should be exempt from state and local building codes. Allows the commission to contract for consultant services and directs the Legislative Services Commission to allocate funds for the commission's expenses. Allows the commission to report to the General Assembly by the convening of the 2008 Regular Session. The commission expires at the later of the convening of the 2008 Regular Session, or upon filing of the final report.
