H 2015. POLYSOMNOGRAPHY PRACTICE ACT. Filed 5/9/07. *ESTABLISHING THE POLYSOMNOGRAPHY PRACTICE ACT.*

Enacts new Article 42 of GS Chapter 90 to require licensure for the practice of polysomnography. Polysomnography is the allied health specialty involving the process of monitoring, analysis, and recording of physiological data during sleep and wakefulness to assist in the assessment of sleep-related disorders. Establishes the seven-member NC Polysomnography Professional Standards Committee with authority to determine the qualifications and fitness of applicants for licensure, set fees for licensure, establish continuing education requirements for licensees, and other matters. Establishes qualifications for licensure and sets maximum fees. Violation of the new law is a Class 1 misdemeanor. Makes conforming changes.
