H 2165. ARTS NC AND MILITARY LICENSE PLATES (NEW). Filed 5/15/08. House committee substitute makes the following changes to 1st edition. Amends GS 20-79.4(b)(76) to provide that a military wartime veteran plate is issuable to either a member or veteran of the armed services who received a campaign or expeditionary medal for his or her service during the eligible periods listed in the subdivision (was, who served during a period of war). Also provides that the Division of Motor Vehicles may not issue a plate, except for World War II and Korean Conflict plates, unless it receives at least 300 applications for all of the eligible periods combined (was, applications for that plate).
