H 2382. CHAPEL HILL WATER CONSERVATION STRATEGIES. Filed 5/21/08. House amendment makes the following changes to 2nd edition.

Defines the following terms as used in the act: (1) *development* has the same meaning as in GS 160A-400.21(3) and (2) *development permit* has the same meaning as in GS 160A-400.21(4). Clarifies that the act applies to development for which an application for a development permit has been submitted on or after the effective date (when the act becomes law). Renumbers the sections accordingly.
