H 2470. TRANSFER FUNDS FOR AGRIC. EDUC. PROGRAMS. Filed 5/21/08. *TO TRANSFER CERTAIN RESPONSIBILITIES AND FUNDS FOR AGRICULTURAL EDUCATION PROGRAMS.*

Provides that in support of federal law, all Agricultural Education curricula included in the North Carolina State Board of Education's Standard Course of Study and corresponding assessment instruments will be developed under the control of the Agricultural Education Program at North Carolina State's Department of Agricultural and Extension Education, which will include as part of its core content the Future Farmer's of America (FFA) and the Supervised Agricultural Experience (SAE) experiential learning program. Requires that the Board of Education transfer a prorated share of all federal Career and Technical Education state-level available funds to NC State's Agricultural Education and FFA Program to be used for administration, development, and operation of the program. Provides that the program is based on grades 9-12 duplicated agricultural education enrollment rather than total career and technical education grades 9-12 enrollment. Effective July 1, 2008.
