H 582. ITS PROJECT MANAGEMENT. Filed 3/12/07. *PROVIDING FOR ADDITIONAL PROJECT MANAGERS ON INFORMATION TECHNOLOGY PROJECTS AND INCREASING THE THRESHOLD FOR THE MANDATORY DESIGNATION OF PROJECT MANAGER ASSISTANTS BY THE STATE CHIEF INFORMATION OFFICER.*

Amends GS 147-33.72E to increase the number of project managers on information technology projects provided by agencies to one or more (was, a project manager). Directs the State Chief Information Officer to designate a project management assistant for state information technology projects that cost more than \$1 million (was, for all state information technology projects).
