Effective January 1, 2008, amends GS 35A-1101 and GS 35A-1202 to prohibit an agency from being a designated agency in proceedings in which an agency employee has been appointed as a guardian. Also amends the definition of *disinterested public agent* to remove the exception from disqualification for an agent that is employed by an agency providing funding or services to a ward. Amends GS 35A-1213 and GS 35A-1224 to prohibit owners, operators, and employees of a residential treatment facility or a long-term care institution caring for a ward from becoming the ward's guardian, unless related to the ward. Amends GS 35A-1214 to expand the order of priority of individuals to be considered as a guardian. Repeals GS 35A-1271 (concerning the bond of public guardian), GS 108A-15 (concerning social services employees as guardians), and GS 122C-122 (concerning public guardians for incompetent adults). Makes conforming and technical changes.
