**H 860. EFFECT OF PJC ON INSURANCE RATES.** Filed 3/14/07. *TO REVISE THE SUBCLASSIFICATION PLAN FOR NONFLEET PRIVATE PASSENGER AUTOMOBILE INSURANCE.*

Amends GS 58-36-75(f) to provide that the subclassification plan for nonfleet private passenger automobile insurance will not include a premium surcharge or any assessment of points for a prayer for judgment continued for any moving traffic violation unless "the driver" has a driving record containing a prayer for judgment continued for a moving traffic violation during the three years immediately preceding the date of application or preparation of renewal. Previously, the statute allowed for a surcharge or points if any one of the "vehicle owner, principal operator, or any licensed operator in the owner's household" had such a prayer for judgment.
