**S 1241. UNC NON-APPROPRIATED CAPITAL PROJECTS.** Filed 3/21/07. Senate committee substitute makes the following changes to 1st edition. Adds a new football/multipurpose tower at UNC-Pembroke to those capital improvement projects for which construction or acquisition is authorized. Provides that the Marine Biotechnology Research Facility (was, Aquaculture Hatchery Biotech Research Facility) project at UNC-Wilmington may accomplish construction and financing through lease arrangements to and from a special purpose entity created for that purpose and through working with state agencies (was, to and from the UNCW Foundation, Inc.). Requires UNC-Chapel Hill to report on its enterprise administrative systems project to various legislative committees and divisions semiannually on January 1 and July 1 until the project is fully funded and operational. States the General Assembly's finding that it is in the state's best interest to respond to program requirements at Elizabeth City State University by changing the scope of the Mitchell-Lewis Residential Hall replacement and to reduce the scope of the land acquisition project and transferring unused funds to various renovations and improvements. Makes corresponding amendments to Section 2(a) of SL 2000-3. Also states the General Assembly's findings that it is in the state's best interest to respond to program requirements at NC Central University by reducing the scope of the Hoey Building renovation and transferring unused funds to various building expansions and renovations. Makes corresponding amendments to Section 2(a) of SL 2000-3.
