S 1275. FUND PISGAH ASTRONOMICAL RESEARCH INSTITUTE (NEW). Filed 3/21/07.

Senate committee substitute makes the following changes to 1st edition. States the intent of the General Assembly that the Pisgah Astronomical Research Institute become a funded member of the Grassroots collaborative and receive recurring funds from the funds appropriated to the Department of Environment and Natural Resources for the Grassroots Science Program.

Removes the appropriation in the 1st edition and provides instead that if funds are appropriated by the 2007 General Assembly to a reserve for pending legislation, then \$50,000 of those funds for 2007-08 and for 2008-09 is to be used for the Pisgah Astronomical Research Institute's operating expenses.
