S 1541. INTERSTATE COMPACT/EDUC. OF MILITARY CHILDREN (NEW). Filed 3/27/07. House committee substitute deletes the provisions of the 2nd edition and replaces it with *AN ACT TO ENACT THE INTERSTATE COMPACT ON EDUCATIONAL OPPORTUNITY FOR MILITARY CHILDREN*.

Enacts the compact referenced in title as a new Article 29B of GS Chapter 115C, to address barriers to educational success imposed on children of military families because of frequent moves and deployment of their parents. Topics covered by the compact include educational records and enrollment, placement and attendance, eligibility for enrollment, graduation, and state coordination. Establishes the Interstate Commission on Educational Opportunity for Military Children, which consists of one voting representative from each member state, and provides for the commission's powers and duties. Also provides for the procedure for withdrawal from the compact and the dissolution of the compact. The compact is effective July 1, 2008, or upon its enactment by nine other states, whichever is later. New GS 115C-407.6 directs the State Board of Education to establish a State Council as required by the compact and specifies categories of council members. Amends GS 115C-366(a3)(1)(g) (concerning allowing a student who is not a domiciliary of a local school administrative unit to attend the unit's public schools if the student lives with an adult who is a domiciliary of that unit in specified circumstances) to expand who is included as a parent or legal guardian to also include (1) a member or veteran of the uniformed services who is severely injured and medically discharged or retired, but only for a period of one year after the medical discharge or retirement and (2) a member of the uniformed services who dies on active duty or as a result of injuries sustained on active duty only for a period of one year after death. States the General Assembly's intent to annually appropriate \$25,000 to the Department of Public Instruction to offset costs for low-wealth schools for administration of the compact beginning with the later of the 2009-10 school year or the enactment of the compact.
