Sets schedule for nomination process for the eight seats to the UNC Board of Governors to be elected by the Senate. Provides that it is the duty of the Senate Committee on Education/Higher Education to choose nominees for each opening on the Board of Governors. Suggestions for nominations must be submitted by a Senator to the Committee during the week of March 19—23, 2007. Candidates must file a statement of economic interest. Directs the committee to screen candidates and submit a slate of possible candidates that does not exceed twice the number of seats to be elected. Specifies election procedure, including date (no later than April 5, 2007) and method to conduct runoffs and to break ties. Each Senator voting must vote for as many candidates as there are vacancies to be filled by that election, and ballots must be signed and made available for public inspection.
